

# 18 Inch Round Brine Tanks

**18x40 Brine Tank with Blow Molded Cover**

**18x33 Brine Tank with Black Injection Molded Cover**

Clack's 18 inch blow molded round brine tanks offer a refreshing look in the residential and light commercial brine tank field. Durable materials and the latest in plastic processing technology provide trouble-free performance. Ultraviolet inhibitors (UVI) are now standard in all tanks except black, which has a natural resistance to the sun's rays. Three different sizes are available for up to 450 lbs. of salt capacity.

## Advantages:

- Attractive design to meet customer appeals with four modern stock colors to choose from — almond, blue, black and white. (Custom colors available.)
- Blow molded from high-density polyethylene to give exceptional environmental stress-crack properties providing years of trouble-free service.
- These tanks can be top loaded on other Clack water treatment components and drinking water systems to substantially reduce total shipping costs.
- All round brine tanks are individually shipped in a durable 150# test reshipper carton.
- Optional injection molded grid promotes uniform brining and reduced salt bridging.
